Dedication

We, the Omache Staff of 1959, dedicate our yearbook to you, Mr. Lemieux. No one deserves the honor more. Our annual would not be the success it is today had it not been for you. Your unfailing willingness to help us, your school spirit, and kindness are hard to beat.

We know the many plans you relinquished to make our annual such a great accomplishment each year.

The Senior Class owes a great deal of gratitude to you, and we will never forget you.

Although people may not realize it, constructing the annual is a very difficult job. Each night after school the staff gathers in Mr. Lemieux's room to work on it. There are pictures to take, cut, and fit to the pages; write-ups to compose, pages to be re-made, and deadlines to meet. This year's staff was very co-operative; thus we were able to produce a very fine yearbook. We hope each of you enjoys it, since much time and work has been spent in its making.

Penny Golm, Editor; Mary Lou Jerrow, Business Manager.

Mr. Johnson has been with us for two years. It is his job to help us with the finding of material for our careers. He also gives achievement tests in Omak and Okanogan.

We students appreciate the work he is doing for us, and we hope he will remain with us in the future.

Mrs. Minnich is always busy with her job of giving medical aid to the elementary and senior high school students of the Omak system. Besides this, she also gives health tests.

We hope that her winning smile and wonderful personality will ever grace our halls.

In the past three years that Mrs. Taylor has been with us, we have grown to rely heavily upon her. It is her duty to keep the school records and to take care of the school supplies.

She is a great asset to our school, and we hope that she will remain with us for years to come.

Senior Class Officers

President, Bob Ulrich; Vice-President, Dave Brown; Secretary, Gene Pitts; Treasurer, David Phelps.

After a long, hard climb, we can see the last rung of our high school ladder coming into view. The climb has not been all work, however, for our many activities have made these past years pass more quickly; and they certainly have made the years more enjoyable.

We started at the bottom as sophomores, determined to be known as an outstanding class. Our Sophomore Hop, the "Moonlight Gambler," did not dampen our spirits. And our bulldog was the best! Our participation in the various clubs and sports will be hard to surpass.

As Juniors, we made great progress in our climb toward the top for our diplomas. Our Prom theme "Red Sails in the Sunset" set the scene for a spectacular success.

"The End", our Senior Ball theme, expressed our feelings quite adequately--at last we were nearing the end of our high school career.

With a remote twinge of sadness, we look down the steps we have just mastered; and on each rung lies a memory of each of our twelve wonderful years, always to remain in our thoughts no matter how far we wander.

Congratulations to the Class of '59 – STEWART & BOTCHEK – BLUNDELL INSURANCE

Junior Class Officers

President, Andy Precht; Treasurer, Jack Marks; Secretary, Cathy McNeil; Vice-President, Daryl Brown.

We are the juniors. In one more year we shall have reached the goal--our graduation. Until then, we continue to establish ours as a class long to be remembered at Omak High School.

We are proud of our year as sophomores. A great many of the boys earned their letters, and the girls built one of the biggest bulldogs Omak has ever seen. We showed our school spirit even more by our hard work to become members of the clubs and organizations. With spring came the flowers and, of course, our Sophomore Hop. "Lollipop" was the theme; the music was furnished by a local band. The decorations were lovely; the band was very good, and everyone had a wonderful time.

As juniors, we continue to strive for recognition. The boys have worked very hard in sports and the girls, especially those in Pep Club, have done their part well, too. The Class of 1960 has many representatives in Honor Society, 100% Club, F. T. A., Auto Club, Letterman's Club, Pep Club, and on the newspaper staff. On Workday this year our class did very well. Everyone worked hard, and the result was a terrific increase in the bank book. This year the whole high school celebrated moving into the new building with a "Dress-up Day". The members of the student body wore their best, and we juniors felt just as proud as anyone. Our Junior Prom left us much to be proud of; everything about it was delightful, and everyone enjoyed themselves tremendously.

Yes, we are the Juniors; and when our joal is reached, we hope that Omak High School will long remember us.

Best wishes for the future – KEN'S APPLIANCE and THE TOWN TAVERN

President, Monte Rusk; Vice-president, Jim Louis; Secretary, Joan Weak; Treasurer, Bob Ludolph.

When our class entered school last fall, we were determined to make a success of our first year in high school.

We already have many reasons to be proud.

A great deal of enthusiasm was shown by the entire class when we turned in over two hundred dollars on Workday.

Our class built the most hilarious-looking bulldog Omak has ever seen.

We are very proud of the fact that this was the first time in the history of Omak High School that so many boys have A-lettered in football in their sophomore year. Besides being active in football, the boys also took part in basketball, track, baseball, and minor sports.

Other class members worked hard to enter clubs and various school activities.

With our successful sophomore year behind us, we hope to make the next two years outstanding ones for the Class of 1961.

School Dedication

February 10, 1959, will be a date long remembered by Omak High School. On this date our new school building was dedicated in a simple ceremony. The key to the new building was presented to Mr. Fewkes, chairman of the school board, by the architect, Mr. Alvin Erickson. The cost of the new building was given by Mr. Rowe; Mr. Sonstelie commended the teachers and students for the way they conducted themselves while waiting to get into the new school building. After a short bit of reminiscing by Mrs. Noel Ballard, a member of the first class to graduate from the old high school building, the new school was given a thorough inspection by the public. The tedious work of the school authorities and students, and the enormous crowd, made this long-awaited evening a great success.

"That's the teacher. Our classrooms are a little crowded."

Junior Prom

April 19, 1958, the Class of '59 held its annual Junior Prom. The theme was "Red Sails in the Sunset". The walls were adorned with sailboats of red and silver. Due to a mechanical breakdown outside of Spokane, the band failed to appear for the scheduled engagement. Everyone scurried to and fro to hunt for another band. Mr. Calahan supplied us with an evening of music. Even with all of our troubles, the prom seemed to be a big success, and a good time was had by all.

Congratulations to the seniors!

Our Senior Ball

The 1958 Senior Ball was one of the most successful dances ever held.

The Senior Class chose "The End" for its theme.

On the night of November 22, everyone, upon entering the Emert gym, saw a rainbow colored ceiling. This motif was carried out in the decoration of the walls.

The remaining decorations were carried out to the words of the song "The End."

We wish the seniors of following years as much success as we had !

Chilly Dance

Our 5th annual F. H. A. Chilly Dance was held on Friday, February 13.

The Okanogan Valley 49ers played rousing Rock-n-Roll and dreamy ballads amid a surrounding of hearts and snow flakes. The theme of our dance was "Baby, It's Cold Outside."

Eileen Stalder was crowned Miss Chilly as a well-earned reward for three years of hard work in F. H. A.

A good time was had by all.

The Senior High School Dramatics Club presented a three-act comedy, "Jumpin' Jupiter", on Thursday, November 20, 1958. This play was under the direction of Mr. Kenneth Ott.

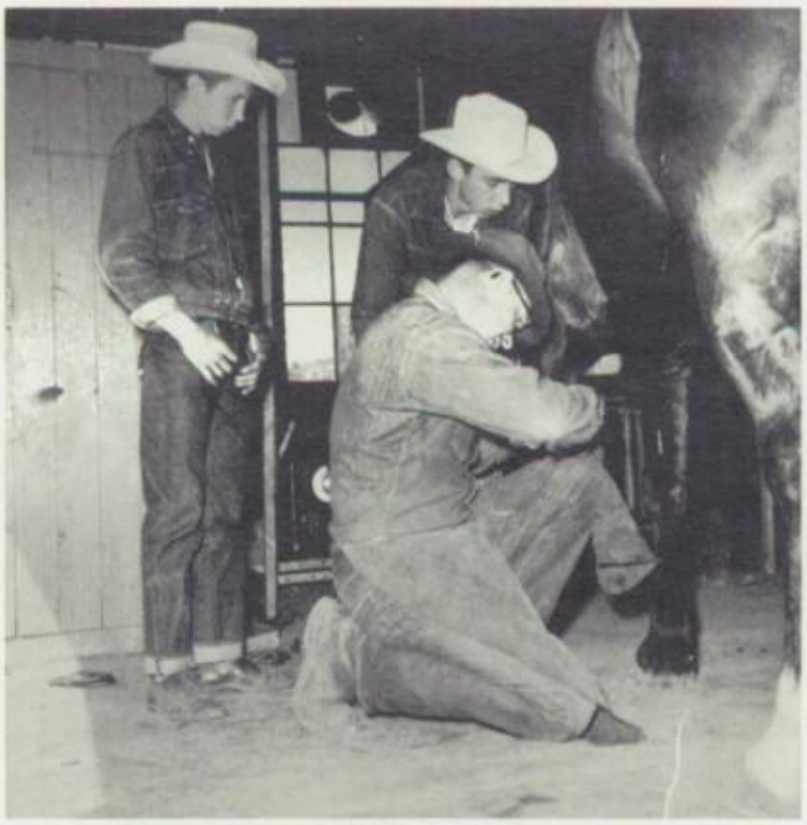
County Soil-Judging Contest--first place.

This year the boys of the Agriculture Department did very well at the Okanogan County Fair. They had many Grand Champions and Reserve Champions in the Livestock divisions. However, it was not only at the Okanogan County Fair that our young men distinguished themselves; in many other events these same future leaders were tops.

Throughout the year they received many high honors in soil-judging and livestock judging.

The Agriculture Department and the rest of the school are very proud of the efforts put forth by the boys this past year.



George and Norman Dunckel receive horseshoe instructions from Claude Taylor.

Sophomore Ag. Class receives instructions on judging poultry.

Good luck!
